EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Friedrich Kueffner on 6/8/2010.

The application has been amended as follows:

In the claims:

Claim 1. In line 2, delete "a housing (1)" and insert --a tubular housing and sealing end pieces--

In line 6, delete "the housing (1) and/or (2 and 3) and insert --the tubular housing and the sealing end pieces--

In line 10, delete "back" and insert --each--

Claim 2. in line 2, delete "a housing (1)" and insert --a tubular housing and sealing end pieces--

In line 6, delete "the housing (1) and/or (2 and 3) and insert --the tubular housing and the sealing end pieces--

In line 10, delete "back" and insert --each--

Election/Restrictions

Claims 1-2 are allowable. The restriction requirement among Species I to V, as set forth in the Office action mailed on 4/3/2009, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 4-10, directed to Species I-IV are no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: Claims 1-8 are allowed because the prior art fail to teach or fairly suggest the claimed gas slab laser that has the resonator being adjusted by plastic/elastic deformation of the housing and the sealing end pieces to produce the required spatial alignment of the resonator mirrors as well as the electrodes relative to each other, wherein the electrodes and the mirrors are connected to each other so that the adjustment thereof is at the same time.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Communication Information

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phillip Nguyen whose telephone number is 571-272-1947. The examiner can normally be reached on 9:00 AM - 6:00 PM, Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, MINSUN HARVEY, can be reached on 571-272-1835. The fax phone number for the organization where this application or proceeding is assigned is **571-273-8300**.
